DEADLINE: OCTOBER 5, 2022

A bear mascot was just an idea, but our 1964-65 Varsity Cheerleaders had a vision. That vision would never have become the tradition it is today without the rest of our Class of '65. Individually and collectively, we spread the Spirit of Streaky Bear through the support of our Senior student leaders, athletes, artists, Pep Club members, program sellers, pep rallies, band members, sign makers and more. Since graduation we have continued to include Streaky in our Class Reunions and with financial support. After 58 years it is inspiring to see Streaky's spirit alive and well at SHS. The Class of '65 takes great pride in honoring the tradition of Streaky Bear through our donation of a commemorative plaque plus financial support towards the purchase of a new mascot head.

We'd love to have a nice representation of class members at the Dedication in October. Please consider joining us!
